

**Third-Year Surgical Clerkship
Curriculum Lecture Series
2006 - 2007 Academic Season***

CPMC Medical Students only

***lecture dates may change - refer to daily calendar in your folder**

Surgical faculty members will be responsible for speaking on curriculum topics as assigned below. Coverage should be obtained for anticipated absences. (Clerkship coordinator Doris Leddy is happy to help with this) Chapters correspond with the: The Surgical Review Study Guide - Essentials of General Surgery by Peter F. Lawrence."_Students are expected to read the chapter noted prior to the talk.

Please use this only for notice on chapters to read prior to lecture.
